# 125TH ANNIVERSARY

Saturday, April 22, 2023 - Sigma Sigma Sigma celebrated the 125th Anniversary of their founding. In addition to events planned by the current Alpha Chapter members Friday, April 21st & Sunday, April 23rd, Tri-Sigma's National Headquarters' staff and a large planning committee of volunteers also planned activities on campus for their entire organization on that Saturday. Over 450 Tri-Sigma alumnae came to Farmville to celebrate this milestone including the entire Tri-Sigma National Council.

Members started their day by "meeting at the clock". In the Greenwood Library, current chapter members & visitors enjoyed looking through the Alpha Chapter's items from the Longwood Archives, Farmville Mayor Brian Vincent gave a proclamation for Sigma Sigma Sigma Day, and Longwood University President W. Taylor Reveley, IV gave a welcome speech and talked about the Longwood campus from the Civil War to Civil Rights.

After a modified campus tour (due to rain) and an educational program, Blackwell Ballroom hosted an evening gala to complete the Saturday celebration.
